**Prizes and Awards** – Agility Junkies, Inc. will award strip ribbons for 1st through 4th places and awards for each qualifying score in the titling Classes. Additional awards may be offered at club’s discretion.

**FEO (For Exhibition Only)** – We will accept FEO entries. FEO entries may jump any jump height but will not be eligible for any prizes or awards. Minimum age permitted is 15 months. Any dog younger than 18 months must jump at a lower height than their regular jump height. This is a non-qualifying division.

**Friday Night Set Up – Will be allowed between the hours of 6 pm and 8 pm only!**

ASCA offers a lower jump height “ACE” Program. Some of the highlights of the rules are below. Please refer to section 4 of the most recent rulebook.

- All of the same classes (Regular, Jumpers, Gamblers) and levels (Novice, Open, Elite) as in the Championship program are also offered in ACE.
- The **Standard** Division is open to any dog aged 18 months or older. The Standard jump height for all dogs entered in the ACE program will be 4” lower than in the Championship program. Course times for dogs in the ACE program will be 10% greater than the Standard Division dogs in the Championship program.
- The **Senior Dog** Division is open to any dog age ten (10) or older. Dogs entered in the Senior Dog Division will jump 4” lower than their standard jump height the ACE program. Course times for dogs entered in the Senior Dog Division of the Regular Agility and Jumpers classes shall be 10% greater than the SCT for the Standard Division in the ACE program.
- Each dog and handler team can only enter either the Championship program or ACE program on any one day of a trial. Points from the two programs will be separate and will not be combined except for certain elite titles from the Championship program that may be moved to the ACE program. The ‘transferring’ of points will only be made once and must be requested in writing and sent to the Business Office.
- A handler may not enter a dog in more than one division of the same class round on any one day of a trial. If a dog is entered in the Standard Division of the first round of a Jumpers Class, then that dog could not also be entered in the Senior Dog Division of the same round of the Jumpers Class on the same day at the same show. However, if a dog is entered in the Senior Dog Division of the first round of a Jumpers Class, that dog could be entered in the Standard Division of the second round of a Jumpers Class. If a dog is entered in a specific Division for one class, it is not required that the dog be entered in the same Division for all other classes for that day. For example: A handler might enter a ten (10) year old dog in the Senior Dog Division of the Regular Agility Class, and the Standard Division of the Gamblers Class. If six classes are offered on one day (i.e. two regular, two gamblers, two jumpers), the dog may only be entered in each class once, regardless of the program or division entered.
- In ASCA sanctioned trials, qualifying rounds executed at a level higher than that needed for a lower level ASCA requirement shall be credited for points needed at the lower level title. Note: dogs moving from the Championship program to the ACE program will be allowed to compete at a lower level if a qualifying score at a higher level has been obtained in the Championship program. However, once a dog earns a qualifying score at a higher level in the ACE program, it can no longer return to compete at a lower level within the ACE Program.
